Term 2, 2025

Kia ora koutou e te whānau,

Term 2 kicks off today and the year is already getting away. Our days are colder, and winter is fast approaching so keep warm and look after any coughs and colds. Stay home if you are unwell. Hopefully everyone had some time to relax and recuperate over the holidays for the next term. Our Visiting Teachers have put together some cool playgroups so please come along as these are opportunities for our tamariki to explore our community and mix with each other. It also supports our Educarers in their important role as Kaiako in the learning journeys of our tamariki. I look forward to catching up with you all soon.

Ngā mihi nui - Maree ☺

Messages for whānau and Educarers:

Family Boost payments for whānau

Have you claimed the new childcare payment that the Government has introduced? See the link for further information. <https://www.ird.govt.nz/familyboost>

Keep bugs at bay

Autumn so far has been cool and wet and winter is fast approaching. If your tamariki are feeling unwell, show signs of fever, coughs, colds, or possible Covid symptoms please keep them at home. Our Educarers are responsible for the care of all tamariki, so if they phone you to pick up your unwell child please do so as soon as you can to stop the spread of infection. Ngā mihi. ❤

Nau mai haere mai to Annie

A warm welcome to our new Educarer, Annie Magee. Annie was recently a Bizzy Buddyz parent and now is officially part of the BB Team, yay! 😊

Vocabulary Hui update

We had a great turnout for the Educarers' workshop last term with Carla and Katie, MOE Speech Language Therapists. This term our Educarers will be trying out new intentional teaching strategies to help tamariki extend their vocabulary and communication skills using books in a new and engaging way.

Study News

- Meenu Baby and Annie Magee will be studying this year. Good luck ladies and we are here to support you all the way.

Whānau, if you are not on Storypark yet, please let your Educarer or the office know. Our pānui, community posts and your child's learning journey are all on this platform and we would love you to be part of that.
